Description of Improvement. Include picture, colors, drawing, brochure, and types of materials, dimensions or other information that will be helpful to understanding your request.

I understand that approval of the Association is required in advance to proceed. I also understand that the approval does not constitute approval of the local City/County building departments and that a Building Permit may be required. I agree to complete all proposed improvements promptly after receiving approval. I understand that any change in drainage and elevation is not permitted unless expressly approved by the DRC. I understand that any change in drainage and elevation may affect builder warranties and are not the responsibility of the Association. I agree to contact the builder directly for such matters.
